## Sky's Content Services Launches Website

Sky has launched a website to promote the services offered by its Content Services team. A team of hugely experienced people, they can provide Media Services, including content manipulation and distribution, Access Services, including subtitling and audio description, QC Services in addition to the long-established licensing service provided by its Clip Sales team.

You can read more about the variety of services provided here: [www.skycontentservices.uk](http://www.skycontentservices.uk) or contact the team on [UKContentServicesSales@sky.uk](mailto:UKContentServicesSales@sky.uk).
